Sub: Measures taken in recent past by Labour Department, Government of West Bengal on 'Ease of Doing Business'.

The ease of doing business index is an index created by the World Bank Group. Higher rankings (a low numerical value) indicate better, usually simpler, regulations for businesses and stronger protections of property. The e-Biz platform aims to create a business and investor friendly ecosystem in India by making all business and investment related clearances and compliances available on a 24x7 single portal, with an integrated payment gateway.

The various Departments of the State Government have taken pioneering initiatives in implementing the State Government's policies with the objective of extending a conducive and business friendly environment in the State to reduce paperwork and get faster clearances. Labour Department, Government of West Bengal has also taken some measures in recent past on 'Ease of Doing Business' without compromising the welfare of working class.

The key initiatives taken by the Labour Department for the ease of doing business in the State are enclosed (**Annexure-A**) for taking necessary action
